Report the total number of sexual assault, domestic violence, and/or stalking charges pending from the previous reporting period and new offenses charges assigned during the current reporting period. For the first reporting period (July 1 – September 30, 2005), all charges pending at the start of the quarter should be reported as "new charges."

Misdemeanor and felony **domestic violence offenses** include any assaults, battery, vandalism, breaking and entering, or other offenses that occurred in a domestic violence incident. The Code of Virginia does not have to name the offense "domestic violence" for it to be counted here. Similarly, **sexual assault** and **stalking** offenses should be counted, even if other names are used for these types of offenses, such as "sexual battery" or "harassment."

Report the dispositions of all charges resolved during the current reporting period. Deferred adjudication is a process where the judge requires the defendant to adhere to certain terms, prior to any adjudication of guilt. If a defendant successfully completes those terms, the charges are dismissed.
